## Foundation Awards 2018

A warm welcome was extended to pupils, parents, carers and families at our annual Foundation Awards this week. The Foundation Awards celebrate pupils' achievements in Art and Design, Drama, Music, Dance, PE and Design and Technology. The evening began in the 'marketplace' where visitors could explore the Creative Independent Learning Projects completed by pupils for each subject. There was an impressive display and visitors were asked to vote for the subject area they felt was most creative.

The event was hosted by Year 9 pupils Emina Salesevic and Mikhi Fearon who did an excellent job of introducing the performers and making the audience laugh. Year 9 Drama pupils provided some excellent entertainment with a variety of performances which encompassed comedy, mime and even ballet! The Year 9 Drama players were Abdoulaye Coulibaly, Shakkan Roberts-Ennis, Necat Gullu, Grace Domingos and Joana Brito. Furthermore, there

were musical performances from Robert Karapetian on the violin and Kemi Kehinde on the guitar, along with a dance performance from our Year 7 girls.

Awards were presented throughout the evening for pupils who are excelling in the foundation subjects. All pupils received a certificate. Below is a list of pupils who were celebrated for their achievements in specific subject areas:
