### WELCOME

Welcome to the Platanos College pupil celebration newsletter.

We continue to live through extraordinary times and we are proud of all of our staff, pupils and their families for how they continue to adjust to the major changes imposed on them by fighting the coronavirus pandemic.

We hope that all of our pupils and families have had time to relax over the Easter break.

Despite the break, hundreds of pupils have continued to work on Show My Homework and SAM Learning and here we wish to

congratulate pupils for going above and beyond to put in extra study.
