

PLATANOS COLLEGE

An outstanding school for
pupils of all abilities

Year 11

Formal Examination Week

Monday 2nd November 2020 to Friday 6th November 2020

Dear Parent(s)/Carer(s),

Your child is now fast approaching their first set of formal examinations this academic year, due to take place from **Monday 2nd November 2020 to Friday 6th November 2020**.

Platanos College considers our pupils' approach to examinations and their performance to be vital. Pupils at the school are very aware of the importance of progress and in meeting and exceeding their targets. The school uses the results from formal examinations to carefully analyse pupils who are not working towards their potential and informs appropriate interventions that will take place.

Due to the importance of year 11 in preparation for their final GCSE examinations, it is essential that your child takes these formal examinations extremely seriously. I am writing to request your help in their examination preparation. **Your child has been given revision guidance and the school asks that you read through the information with them and ensure that they are revising regularly.**

Additionally, your child's formal examination timetable is attached.

Copies will also be made available on the school's website.

The school would like to thank you in advance for your help, and on behalf of all the teachers at the school, I wish your child every success.

Yours faithfully,

Mr W. Bourke
Deputy Headteacher
