Attitude Determines Altitude

WELCOME

Welcome to the fourth edition of the Platanos College Pupil Celebration Newsletter for the 2020-2021 academic year.

Last week our pupils continued to demonstrate that they are living proof that Attitude Determines Altitude.

Across all year groups our pupils managed to achieve an outstanding **105,850** merit points last week for classwork, homework, attendance, behaviour, organisation and punctuality.

This is an increase in merits for the whole school by 5,855 merits!

Well done to all of our outstanding pupils!

This week departments across the school have nominated pupils who have demonstrated outstanding effort in lessons and/ or for homework. These are

separated into **Gold**, **Silver** and **Bronze** Awards.

Congratulations on another fantastic week!
