Attitude Determines Altitude

WELCOME

Welcome to the eighth edition of the Platanos College Pupil Celebration Newsletter for the 2020-2021 academic year.

In what was the second week of our second half term, our pupils have made a wonderful start and have continued to demonstrate that they are living proof that Attitude Determines Altitude.

Across all year groups our pupils managed to achieve an outstanding **131,530** merit points last week for classwork, homework, attendance, behaviour, organisation and punctuality.

This is the highest merit total for the whole school this academic year!

Well done to all of our outstanding pupils!

This week departments across the school have nominated pupils who have demonstrated outstanding effort in lessons and/ or for homework. These are separated into **Gold**, **Silver** and **Bronze** Awards.

Pupils will receive certificates for their achievements.

Congratulations on another fantastic week!
