Attitude Determines Altitude

WELCOME

Welcome to the sixteenth edition of the Platanos College Pupil Celebration Newsletter for the 2020-2021 academic year.

We continue to congratulate our pupils for working hard from home in the face of adversity, especially in their live lessons. What a time to show that Attitude Determines Altitude!

Well done to all of our outstanding pupils!

This week departments across the school have nominated pupils who have demonstrated outstanding effort in their online work. These are separated into **Gold**, **Silver** and **Bronze** Awards.

Pupils will receive certificates for their achievements.

Congratulations on another fantastic week!
