

UK Maths Challenge Winners 2021

On Wednesday, 28th April 2021, some of our year 7 and 8 pupils took part in the UK Maths Challenge.

The UK Maths Challenge is a prestigious national competition which aims to stimulate mathematical thinking and encourage a problem-solving attitude amongst pupils. It gives pupils an opportunity to compete against other schools across the UK and other countries. The problems posed in the UK Maths Challenge not only require numerical knowledge and logical thinking, they test and stretch pupils' problem-solving skills and increase their familiarity with national competitions.

Pupil voice:

How did you feel after taking part in this maths challenge?

Alessandra Rios 7B – “I feel proud to take part in this challenge even if I found it hard.”

Bee Yan'kyaa 7A – “At first I thought it was just teachers setting us more work but as I have progressed through the weeks I now realise that it's much more.”

Johnson Chukwu 7A – “I feel eager to see my score. I feel confident that my score will be good. I feel proud to be able to take part in this challenge.”

Aaron Ahua 8A – “I feel happy that I completed it but nervous to see what my score will be.”

Ryan Channer 8A – “It was a good challenge, none of the questions could be worked out in my head and took me a little bit of writing to understand.”

Uhunoma Obayangbona 8B – “I feel a sense of achievement after attempting the challenge.”

Arre Sharif 7A – “I would like to take part in more future maths competitions because I want to expand on my maths grade.”

Abdimalik Elmi 7A – “It is fun and I like it as it tests my intelligence.”

Lucas Lin 7B – “It can help my maths skills to be better.”

Virtuous Danzaria 8A – “It was a good experience and it can improve my maths.”

Ryan Channer 8A – “I want to try and beat my score next time and I think I can because I understand how the test works so I can prepare myself more.”

Daniel Coelho 8A – “It really challenged me and push me to answer difficult questions.”

Michael Persaud 7A – “I need to remember to not get frustrated when a question is hard.”

Kyra Knibbs-Curtis 7A – “I need to practise more questions and try versions of the competition from a few years before to know what to expect.”

Henri Jeanson 7A – “I need to practice lots of arithmetic but mostly algebra.”

Ahmed Mohamed 8A – “I would practice a lot more word problems as I know that is what comes up in these tests.”

Attica Hussein 8B - “I need to understand the wording of the question more because sometimes it can be confusing.”

Results:

Sumaya Hassan 7A	'Best in Year' and Bronze certificate
Michael Persaud 7A	'Best in Year' and Bronze certificate
Joude Aouchiche 7A	Bronze certificate
Abdimalik Elmi 7A	Bronze certificate
Hanan Hussein 7A	Bronze certificate
Henri Jeanson 7A	Bronze certificate
Mohamed Johar 7A	Bronze certificate
Lucas Lin 7B	Bronze certificate
Rafaela Relvas 7A	Bronze certificate
Alessandra Rios 7B	Bronze certificate

Ryan Channer 8A	'Best in School' and Gold certificate
Crystal Azzopardi 8A	Silver certificate
Daniel Coelho 8A	Silver certificate
Yusuf Elmi 8A	Silver certificate
Arman Hussain 8A	Silver certificate
Caleb Chukwu 8A	Bronze certificate
Virtuous Danzaria 8A	Bronze certificate
Teejah Dixon-Morgan 8A	Bronze certificate
Ahmed Mohamed 8A	Bronze certificate
Jason Tran 8A	Bronze certificate

Congratulations to the pupils who participated but narrowly missed in gaining a certificate: Mimoza Ferati 7A, Alaa Ouzane 7A, Bee Yan'kyaa 7A.

Our pupils have worked extremely hard for the competition which is evident from the results of the competition and we are proud of the achievement of our pupils.

A big congratulations to all of our winners!

Ms Bajaj
