

PLATANOS COLLEGE

An outstanding school for
pupils of all abilities

Year 10 Formal Examination Week

Monday 21st June 2021 to Friday 25th June 2021

Dear Parent(s)/Carer(s),

Your child is now fast approaching their end of year formal examinations this academic year, due to take place from **Monday 21st June 2021 to Friday 25th June 2021**.

Platanos College considers our pupils' approach to examinations and their performance to be vital. Pupils at the school are very aware of the importance of progress and in meeting and exceeding their targets. The school uses the results from formal examinations to carefully analyse pupils who are not working towards their potential and informs appropriate interventions that will take place.

At this crucial time in the run-up to your child's exams, I am writing to request your help in their examination preparation. Your child will be provided with revision guidance for help in planning their revision. Copies will be added to the Year 10 Whole Year Group Google Classroom page from Tuesday 1st June 2021 and the school's website. **Please read this guide with your child. This will help you to play an active part in their examination revision.**

Additionally, your child's formal examination timetable is attached.

Copies will also be made available on the school's website.

The school would like to thank you in advance for your help, and on behalf of all the teachers at the school, I wish your child every success.

Yours sincerely,

Mr W. Bourke
Deputy Headteacher
