GCSE Results 2021

Attitude Determines Altitude

Message of congratulations

Welcome to the Platanos College GCSE Celebration Newsletter.

It was excellent to see our year 11 leavers collect their GCSE results. There was a sense of excitement and anticipation as they signed for their envelopes and made their way outside to the front of the school building.

They have done exceptionally well and despite all of the disruption this year group have faced they should all be congratulated.

We are confident that our pupils will go on to achieve success, at college, sixth form, university, in the work place and beyond.

Once you have been a pupil of Platanos College your achievements are woven into the fabric of the school. Your memories are our memories and we continue to celebrate your successes with you.

I state without hesitation or reservation that God is with us, especially with our wonderful pupils. Always.

Ms Taybi
Acting Headteacher

It was a pleasure to see year 11 pupils celebrating their successes. It is always a really good day when the results are released but this year it is a very special day. The pupils have been through a lot and I wish them every success.

Mr Edwards
Year 11 Pastoral Manager
