Attitude Determines Altitude

WELCOME

Welcome to the fourteenth edition of the Platanos College Pupil Celebration Newsletter for the 2021-2022 academic year.

Our pupils have started the new term in wonderful style and have continued to demonstrate that they are living proof that Attitude Determines Altitude!

Across all year groups our pupils managed to achieve an outstanding **136,775** merit points last week for classwork, homework, attendance, behaviour, organisation and punctuality.

Well done to all of our outstanding pupils!

This week departments across the school have nominated pupils who have demonstrated outstanding effort in lessons and/ or for homework. These are separated into **Gold**, **Silver** and **Bronze** Awards.

Pupils will receive certificates for their achievements.

Congratulations on a fantastic week!

We are proud of you all!
