GCSE Results – 2022

Attitude Determines Altitude

Message of congratulations

It was excellent to see our year 11 leavers collect their GCSE results on Thursday 25th August. There was a sense of excitement, anticipation and nervousness as they signed for their envelopes.

They have done exceptionally well and they have worked extremely hard, they should all be congratulated.

We are confident that our pupils will go on to achieve success, at college, sixth form, university, in the work place and beyond.

Once you have been a pupil of Platanos College your achievements are woven into the fabric of the school. Your memories are our memories and we continue to celebrate your successes with you.

I state without hesitation or reservation that God is with us, especially with our wonderful pupils. Always.

Ms Taybi
Headteacher

It was a delight to witness pupils rejoice after receiving their results at the end of a long year of hard work.

It was so enjoyable to watch the pupils' open their envelopes prior to beginning their journey into Key Stage Five.

We are really proud of all of their efforts and we wish every pupil the very best for their next steps.
