

PLATANOS COLLEGE

An outstanding school for
pupils of all abilities

12th February 2026

To whom this may concern,

Letter of commitment to high quality careers education

As a school, we are fully committed to ensuring that all students at Platanos College receive an outstanding Careers Curriculum. Our original application for Investors in Careers provided an excellent guidance tool and allowed us to celebrate our provision.

We are now looking for re-designation and are committed to using the Quality in Careers Standard – an excellent tool for guiding the review of our provision and we are committed to working with CSW on this project. Ms Casandra McKoy, Senior Deputy Headteacher, has overall responsibility for CEIAG and is leading on the application for renewal of our status.

Thank you.

Yours sincerely,

Ms Teresa Williams
Head of School

Mr Humroy Whyte
Chair of Trustees
